You Asked, We Delivered

---

## ***Now an Authorized Distributor of Pfizer Vaccines!***

We are proud to announce that BluPax Pharma is now an authorized distributor for Pfizer's vaccine portfolio and can service your GPO or direct contract pricing.

[Click here to visit our website to see available vaccines and pre-book to secure your stock now.](#)

Contact your account manager for additional information.

## ***Conference Connections***

We'll be attending NACDS Total Store Expo in San Diego from August 23-25. Looking forward to meeting with our partners and we hope to run into you there!

## ***New To The Catalog!***

### ***Covid-19 & RSV Vaccines***

BluPax will be carrying the latest versions of all Moderna and Pfizer Covid-19 vaccines, including Moderna's all new mNEXSPIKE and Pfizer's Comirnaty vaccines. Vaccines expected in stock by August 25.

### ***Contrave***

Contrave Extended-Release tablets 8mg/90mg is the latest branded item joining the BluPax Catalog. Available with 21 day terms and with no generic compliance requirements during Q3.

Next month we'll be attending the Framework LTC Innovation conference in San Diego from September 15-17. Make sure to stop by our booth and say hello, we look forward to seeing you there!
